# READY FOR A REVOLUTIONARY MASTERPIECE?

FOR SOMETHING TO BE CALLED A REVOLUTION, IT HAS TO BE REALLY SIGNIFICANT – TRULY MAGNIFICENT. GROUND-BREAKING. AN ABSOLUTE MILESTONE CONCEIVED OUT OF LOVE, BUILT WITH PASSION AND ULTIMATE ENGINEERING SKILL. PREPARE TO BE ENTHRALLED BY SOMETHING COMPLETELY NEW.

JUST SEE FOR YOURSELF: [WWW.BAVARIAYACHTS.COM/R55](http://WWW.BAVARIAYACHTS.COM/R55)

When we conceived the BAVARIA R55, we had one premise: we wanted people to feel at home on board this yacht. The same comfort, the same feeling of wellbeing. Carefully selected colours and top-grade materials produce exactly that effect. And it was important to us to create spaces that flow into one another and provide privacy – especially in the cabins themselves. We have created a wonderful space for socialising: the brightly illuminated saloon. It is, in a sense, a panoramic living room on the water. Welcome home. Welcome to the BAVARIA R55.

## EVOLUTIONARY MASTERPIECE

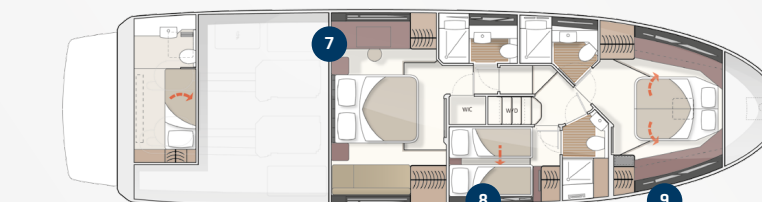

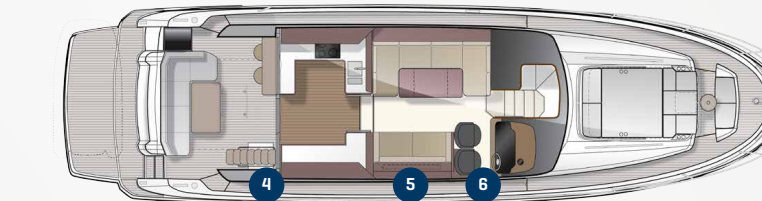

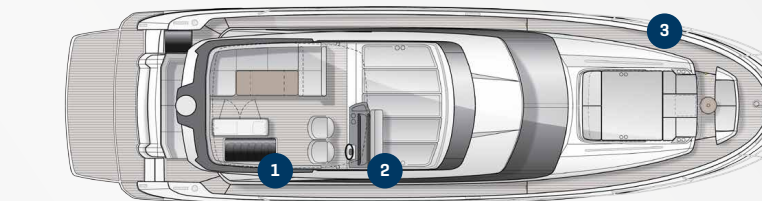

There are many, many yachts in the world. We wanted the BAVARIA R55 to set a benchmark and be something incomparable. A yacht so good that it's respectful of her heritage, contemporary with the present, ready for the future.

The result: a pioneering, dynamic hull design without equal. Then there is the intentionally low-profile flybridge and deck lines – making the boat much sleeker and more elegant. All in all, the BAVARIA R55 turns heads and performs astonishingly. A true revolution, in other words. Are you ready?
