Dear Ladies and Gentlemen,

Also we are pleased to inform you that the VISION 46 is also nominated in the category “Family Cruiser” for the “European Yacht of the Year Award”. The yacht competes now against four other sailing boats for the title “European Yacht of the Year 2012/13”.

This international award is the “Oscar of Yachting” and it is awarded annual in four different categories. The jury is composed of journalists from the leading sailing magazines of whole Europe. Criteria are: sailing performance, comfort, building quality, price-performance ratio, design and technical unique selling proposition of the yachts.

Those nominations are a great opportunity to promote the VISION 46 as well as the B/ONE. Attached you find the award logo for advertising purposes. Please use this chance to advertise our yachts.

BAVARIA is looking forward to the “boot” in Düsseldorf on January 2013 when we’ll all be pleased to hear:
