## New Cruiser 45

The Cruiser 45 model that debuted at the Dusseldorf Boat Show in January was on show at the Sanctuary Cove Boat show last week as well as undergoing open water sailing for the Bavaria brochure in Palma.

Reports from both boat shows indicate a boat with a huge, light voluminous interior, a great cockpit layout and a fun as well as rewarding boat to sail. The standard version is 3 cabins with a 4 cabin option available.

## New Cruiser 32 – on the Waitemata

The first of the new styled Cruiser Range imported into NZ hit the water in February and was displayed at the Auckland International Boat Show in March. It also featured in the March Edition of Boating NZ and received a very favourable write up.

Since then it has received a solid work out by the new owners venturing out into the Gulf nearly every weekend since.

We welcome Nigel and Ray to the wider Bavaria family in New Zealand.

**Bavarias for Sale**

**USED BOATS NEEDED!!**

We require stock of good used Bavarias. We are fielding requests almost daily.

If you have been thinking of upgrading your Bavaria now is a great time. The dollar is strong against the Euro right now.

We would welcome the opportunity to sell your yacht.

### SPARE PARTS

As we have 5 boats arriving in August and September now is a good time to consider what spares you require for the coming summer as we can get them put on a new yacht and avoid the high cost of air freight. Please take this opportunity to inspect your boat and plan ahead. Especially large items.

All order will have to be placed before June 18 to ensure a place on a yacht being shipped. Orders can be emailed to [bill@busfieldmarine.co.nz](mailto:bill@busfieldmarine.co.nz) preferably with a photo of the part to help for identification purposes.

## New Cruiser 40 — First Look

The trio of companies that collaborated to bring us the new 32,45 and 55 Cruiser models have been at it again. Bavaria Yachtbau, Farr Yacht Design and BMW Designworks have released the first picture of the new Cruiser 40 that is expected to debut sometime later in the year.

Continuing on with the family lines of the new cruiser models Farr Yacht design has created a roomy boat with a huge cockpit that suits the Kiwi life-

style. Evident is the massive transom boarding platform that has been so well received on the new models.

The standard version

will have 3 roomy well appointed double cabins. Interior layout will be available soon.

Pricing and specifications will be available late 2010.
